In the Correctional Managed Health Care Program, this class is accountable for providing clinical administrative/supervisory functions and/or direct care psychiatric services as a board certified advanced clinician.

Knowledge, Skills and Abilities:

Considerable knowledge of methods and principles of behavioral health medicine; considerable knowledge of current principles and methods of assessment and treatment of patients with psychiatric illnesses and substance abuse disorders; considerable knowledge of recent developments in field of psychiatry and substance abuse including treatment models and best practices; considerable interpersonal skills; considerable oral and written communication skills; considerable ability to examine for, diagnose, assess and treat patients with psychiatric illnesses and substance abuse disorders; considerable ability to prescribe and conduct psychotherapy, medications and other treatments specific to psychiatric and substance abuse disorders; ability to develop a collaborative group practice environment with other psychiatrists, physicians and members of interdisciplinary teams; ability to analyze and interpret laboratory reports, x-rays and other medical and/or psychological reports and findings; administrative/supervisory ability.

General Experience:

Incumbents in this class must possess and retain certification as a specialist in psychiatry by the American Board of Psychiatry and Neurology or board certification in Adult or Child and Adolescent Psychiatry.

Special Requirements:

Incumbents in this class must possess and retain a license to practice medicine and surgery in Connecticut. A temporary license may be granted for a period not to exceed one (1) year; must possess and maintain eligibility for participation in federal health care programs as defined in 42 U.S. 1320a-7b(f); may be required to possess and retain certification as a specialist in an area such as geriatrics, ABI/TBI, forensics, substance abuse, etc.; may be required to possess appropriate current licenses, certifications or permits; may be required to be bilingual.

Examples of Duties:

See complete posting at [UConn Health](#)

Working Conditions:

Incumbents in this class may be required to lift and restrain inmates and may be exposed to disagreeable conditions, communicable and/or infectious diseases and risk of injury from assaultive and/or abusive inmates.

Note: The filling of this position will be in accordance with reemployment, SEBAC, transfer, promotion and merit employment rules, if applicable.

Application Instructions: Interested and qualified candidates who meet the above requirements please apply to: [UConn Health](#) and reference search codes above. Cover letter, resume and references may be uploaded at the time you apply on-line.
